An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. R. Goozner on 4/3/06.

The application has been amended as follows:

Cancel claims 3-7,9,14-17 and 19 drawn to process claims non-elected on 7/13/04.

The following is an examiner's statement of reasons for allowance: the prior art of record does not teach an n-type second layer also including a p-type dopant for one of the "p-contact layers" as claimed. Doverspike's "second layer" is p-type. Likewise Okumura's "second layer" is p-type.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
